

6th Indian Cancer Genome Atlas Annual Meeting

ICGA2025

Translating Cancer Genomics into Clinical Excellence

 **14–16 November 2025** |  **IIT Madras, Chennai** |  **icga2025@icga.co.in**

Pre-Meeting Workshop

14 November (Morning),
Hall 3, ICSR Complex

Main Meeting

Starts from 14 November (Lunch),
TTJ Auditorium, ICSR Complex

Poster Presentation

15 November
Exhibition Hall, ICSR Complex

Highlights

- Keynote Addresses
- Scientific Sessions
- Poster Presentation
- Panel Discussions
- Lightning Talks
- Pre-Meeting Workshop
- Networking Opportunities

Register Now

**30
June**

**Early Bird
Registration
Deadline**

Call For Abstracts

We invite abstracts for poster presentation highlighting innovative research in cancer genomics, data-driven discoveries, and clinical applications.

***Selected 5 abstracts will be selected for lightning talks of 10 minutes
Best student posters will be awarded***

Abstract Topics Include:

- Tumor Biology and Biomarkers
- Data-Driven Cancer Genomics
- Clinical Cancer Genomics
- Population-Specific Cancer Studies
- Technological and Clinical Innovations in Cancer Research

Pre-meeting Workshop

INTERPRETING NGS REPORTS:

A PRACTICAL GUIDE FOR CLINICIANS, RESEARCHERS, AND STUDENTS

17 14 November 2025 | 8:30 AM – 1:00 PM | Hall 3, ICSR Complex, IIT Madras

Key Learning Objectives

- Understand NGS workflows, terminologies, and reporting standards.
- Interpret genetic alterations including mutations, copy number variations, fusions, and biomarkers.
- Assess clinical relevance: distinguishing actionable versus non-actionable findings.
- Recognize common pitfalls and limitations in genomic reports.
- Apply learning through real-world anonymized case studies.
